Acts 17/28 for in Him we live and move and have our being, as also some of your own poets have said, 'For we are also His offspring.' **NKJV**

....for in Him we live and move and exist, **NAS**

....For in him we live and move and are! **TLB**

As I take time to reflect upon this verse & meditate upon the truths that it reveals, I am encouraged, inspired, & impressed! This verse tells us three things: Whose we are, who we are, & how we are! We belong to Jesus, He is in us, He flows through us, & our life is hidden in God with Him! (**Col. 3/3**)

This means that in the economy of God's redemption of us, we have become completely & eternally one with the Father, Son, & Holy Spirit, never to be separated, rejected, or condemned by God!

We Live In Him! That means His life is ours, & our life is united with Him! Because Christians are partakers of the divine nature of God, there is no varying degrees of eternal life between the Holy Trinity & us! That also means that the Holy Spirit in you is your righteousness, holiness, completion, perfection, health, prosperity, & soundness! Because He is in you, those elements are sealed into you, forever!

We move in Him! The life of Christ Jesus is in you, His nature is in you, His love is in you, His anointing is in you, & flows through you! Wherever you go, the Spirit of God is there, with power & authority to bring change to any circumstance! Literally, the miracle worker is in you, as He was with Jesus in His earthly ministry! The same Holy Spirit will flow through you the way He powerfully flowed through Jesus!

We have our being in Him! As He is, so are you, in this world, (Now & forever)! You have the life of Jesus, the love of Jesus, the Spirit of Jesus, the nature of Jesus, the anointing of Jesus, & the name of Jesus! He has replicated Himself within you at your new-birth, & so His life, love, & ministry continue here in the world! The same Holy Spirit that anointed Jesus has anointed you with the same anointing, so He can produce the same fruit & results through you & for you! For the Holy Trinity is the same, yesterday, today, & forever! (**Hebrews 13/8**)

We're alive in Jesus, we move in Him, we abide in Him, & He is our completion!
