

# EXOTIC LOVE

Dazzled by the beauty  
Of loves most inner light  
That shines so brightly through me  
In the darkness of the night  
Heady is the fragrance  
Of this love so rich and pure  
It comes right through my pores  
A song it sings I'm sure  
So delicate the sound  
Of this sweetest song I've heard

Dicki J. Sullivan
