# Who You Are!

Don't Forget Who You Are! Dr. Christopher Longgear

"Don't forget who you are! Remember whose you are, for you are mine!  
 We are one, fully, freely, & forevermore, through you having been born-again, of incorruptible seed, & you have become a partaker of my divine nature.  
 I abide in you, you abide in Me, & we have become one in spiritual nature!  
 As a new-creation being, you have been given my life, Spirit, & love, & you are empowered with my Holy anointing of authority, power, & might!  
 You can do all things through my Spirit which inhabits you, so exercise my faith which dwells within you, & believe in a big way for big things to happen to you, with you, & through you! For it is Me that wills to do & accomplishes that which I will to do through you, as you are my vessel, my temple, & my ambassador of grace! For with Me nothing shall be impossible, & in your behalf, something is only impossible to you until it has been accomplished by you!  
 As you take time to fellowship with Me, you remember who you are!  
 As you meditate upon the Word of God, you are put into remembrance of whose you are, what you have, & what you can do!  
 As you spend time in prayer & you soak in my presence, you are given recall of your identity, & you recognize your heritage & inheritance.  
 As you feed on the truth of whose you are, as my child, you align yourself with your assignment as my servant. You are anointed with the ministry anointing of Jesus Christ, the Anointed One!  
 My beloved child, you are mine, you belong to Me, you are hidden in Me, & in Me you live, move, & have your being. As I am, so are you in this world!  
 You are an heir of God, a co-heir with Christ, you are a vessel fitted for the master's use, & you are alive in righteousness, holiness, & sanctification.  
 We are one, & my love has been poured into you at your new-birth, & that love is free to flow through you as my vessel! So don't forget who you are, for the peoples of the world need Me to minister to them, to heal them, to help them, & to love them. I do these things through you yielding to Me & allowing Me to flow through you, whenever I need to!  
 I never forget who you are, & you should never forget whose you are!"
