

Greetings, beloved family & deeply appreciated friends!

Today, to various people & customers at a hospital coffee shop;

tonight, in a house church outside Athens, Ohio;

tomorrow morning, to several dozens of people in a funeral & at a cemetery; tomorrow night in a woman's prison, day-after-tomorrow, an outreach in Ritchie County in W.V., then, Friday, Saturday, & Sunday nights, a Healing School, (in addition to our Sunday morning worship service). Then in a few days, in various communities in Alaska, along Cook's Inlet, for a week!

The ministry in Alaska includes a women's conference, a men's conference, church ministry, home church gatherings, & other outreaches!

That's what ministry I & my wife, Sandy, will be involved in, along with other members of Fresh Fire leadership over the next few weeks, & then more of it after that!

There's also the weekly one-on-one mentoring that we're sharing with several people, that are being raised up into their spiritual destiny & ministry leadership!

We're continuing our multi-media ministry with free DVD, CD, & written Fresh Fire FaithNote materials being given out weekly & mailed monthly to anyone wishing to receive them. The Truths of Redemption that we're teaching, imparting, & demonstrating are changing lives, hearts, & situations!

For those of you that are supporting us with your prayer & financial contributions, I say "A Big Thank You" to each of you! You are helping us to reach people in many neighborhoods, communities, & nations!

For those of you that aren't supporting Fresh Fire Ministries Intl, I ask you to please send us a gift of support that will be put to good use! Please include any prayer requests that you have so that we may agree with you concerning them!

You are appreciated, & we pray for each one of you that have received this email!
