## HOLY FRUIT IS GROWING & FLOWING THROUGH THE FRESH FIRE FAMILY!

In the last few weeks, the Holy Spirit has continued to manifest Himself wonderfully both in church services, in homes, & out in the market place. Some of the results: my wife, Sandy, in the last couple of weeks in her work place in a coffee shop located in a hospital medical offices building, has led 5 people to Jesus, including one of her managers, 4 people were baptized in the Holy Spirit, & through the laying on of hands with Sandy & Jayson, (another one of our members that works at the coffee shop), several people coming & going to appointments at medical offices received healing in their bodies & experienced the presence of God!

This last Thursday, after our weekly outreach in Athens, Ohio, Diana Kinder, one of our pastors, led a young woman to Jesus, at a local convenience store.

This Friday night, as I ministered a message of Scripture in our sanctuary, one of our members, Carol, received a measure of healing from infirmity while she sat under the anointing of God

In yesterday's worship service at church, during a session of our congregation ministering to each other during our musical worship, 4 teens & children were baptized in the Spirit!

The juice of the Spirit is flowing, & we thank you for being a partner with us!
