

# My Seed Succeeds

by Opal Sinclair

My Seed Succeeds  
In the Garden, I took all your pain.  
On the Cross, I cleansed all your stain.  
You are pure in Me, now!  
You are rich in Me, now!  
You are free in Me, now!

So, just let Me release through you  
the plans I have for you, My child.  
So rich is My Garden, My fruit is divine.  
My Grace abounds there, 'cause it's Mine!

I got hold of you, forever in Me.  
Nothing can change My seed.  
'Cause it grows rich in you  
My Grace abounds, My harvest's found.  
My Garden grows rich.  
My Garden grows free. (Forever in Me)  
My Garden grows pure, in Me  
watered by Grace, alive in Me..  
I succeed in My seed!!!

Grace
