

Our Divine Nature

Dr. Christopher Longgear

2 Tim. 1/7 - God hasn't given us the spirit of fear, but He has given us a Spirit of power, love, & a sound mind.

Longgear Translations & Notations:

In union with God, we have no fear in our Born-Again spirit; what we do have is the Holy Spirit of power, authority, dominion, & might; we have God's love as our spiritual disposition; we also have the mind of Christ, which flows with peace, and joyfulness.

The Holy Spirit brought the divine nature of God into us when we received the gift of Eternal Life. In that nature there is the authority of God, the miracle working power of the Holy Trinity, and eternal, unconditional love. He also imparted the mind of Christ into us, so we can recognize, realize, & utilize the principles of God's life in us, & through us.

Fear doesn't dwell here, inside of us. Fear was displaced by the Spirit of God coming into us with the life and nature of God, when we called upon Jesus for spiritual salvation. That salvation brought everything pertaining to eternal life and godliness, holiness, righteousness, & sanctification. In union with the Father, Son, & Spirit, we are the righteousness of God; we are filled with faith, love, peace, joy, spiritual completion.

We can do all things through the life, Spirit, & abilities of Christ Jesus by His anointing that dwells in us, flows upon us, & ministers through us. We have Christ's anointing, by the same Holy Spirit that anointed & appointed Him for ministry. Likewise, the Spirit has empowered us to continue the ministry that Jesus carried out. We have nothing be fearful of, for greater is He in us than is anything or anyone coming against us!

With God's Spirit & life within us, we are literally children of God. We can discern His priorities, plans, & perspective regarding our sonship, fellowship, & ministry among people. The Mind of Christ within us interprets the instruction in righteousness that the Holy Spirit administers in us, & reminds us to allow that righteousness to flow, grow, & show among the people with interact with.

We have the Spirit of God, the nature of God, the life of God, the nature of God now living inside of us, once we received Eternal Life. Every good & perfect divine gift is now ours from God, & the Holy Spirit reveals that to us so we can call them into manifestation, for the meeting of our natural realm needs, & so that we can minister those provisions to people in need around us!

As children of God, we're not to be apprehensive about anything, for all of the promises of God are 'yes and amen' in our behalf, & are spiritually in our possession. Instead of any fear, we have the divine disposition of faith, faithfulness, authority, power, dominion, & we can know the principles of God as reality by the Holy Spirit ministering revelation knowledge to us as we fellowship with Him in Spirit & in Truth.
