ALWAYS

I am not a sometime God. I am with you 24-7-365. I know sometimes you think I'm not and sometimes you don't want me to be, sometimes you think I don't love you and sometimes you do. Sometimes you think I don't care and sometimes you wish I didn't. It doesn't work that way. Sometimes is not part of my vocabulary. Always is My word. I will always love you. I will always want you. I will always care. You will always be provided for, always saved and forgiven, you will always be healed, you will always be loved and you will always be Mine and I will always be yours!

BE SURPRISED

I have plans for you that will take you here and yon. Will you go? I will provide the pay. It will be easy. Nothing difficult if you do it in My Name. My yoke is light. Nothing for you to do but listen to Me and do as I say. So much will happen that you will be surprised at times at the things you will do as you rest in Me.
