# Great Grace School of the Gospel

## Fresh Fire School of the Gospel New Set of Classes on Friday Night

Join us on Friday nights throughout the month of March for a dynamic topical study on the New Testament subject of 'Assurance & Confirmations of Salvation'.

Join pastors Chris & Sandy Longgear, & the attendees of these classes, for a great time of fellowship, interaction, & Biblical confirmation from dozens of Scriptures concerning the security, assurance, & vastness of your spiritual salvation.

Workbook/study-guides will be provided, an offering will be received weekly to help with materials expense.

As the previous classes have been, this month's studies will be dynamic, revelational, & inspirational! The fellowship will be great!

Class starts at 6:30 this Friday night, & will conclude at about 8:15.

*We're hoping to have short sessions of music & prayer to open class with in some of this month's classes!*
