1. It's eternal: once it's received, it can't be lost!

2. It is the divine nature of the Holy Trinity!

3. It's positional, not conditional!

4. It contains everything salvation has to offer!

5. It's the indwelling of resurrection-life!

6. It's a gift, not payment: it's offered & received, not earned!

7. Because it's not earned or deserved, it can't be unearned or undeserved!

**8. Sin is no hindrance to receiving it, because sin was dealt with
& carried away by Jesus at Calvary!**

9. Through the New-birth, you don't possess eternal life, it possesses you!

**10. You don't 'wear' the Holy Spirit, as being upon you:
He wears you, as He dwells inside of you!**

11. If eternal life ever ceases, then it isn't eternal!

**12. The world is deemed dead to sin by God through Jesus' death at Calvary, thus the
only thing anyone must do to receive eternal life is to call upon Jesus!**

13. It makes you complete in the Father, Son, & Spirit forever!

**14. You've died to sin, you're alive in righteousness, & your life is hidden with Christ in
God!**
