

Dear Friends and Family, I am excited and awed to formally announce the publication of "Songs From A Place of Wasteful Grace". This book that God has written through me is at last available for sale. I have known for the last few years that what He wrote through me was for the entire body of Christ. I take no credit for it as it was all His gifting and inspiration. As I held the first copy in my hands let me tell you, it was a surreal moment. As sure as a mother births a baby I was holding the baby that God birthed in me. I can't tell you how much your encouragement and belief in this has meant to me. If you wish to buy this newly birthed book, you can by going to <http://www.xlibris.com/SongsFromAPlaceofWastefulGrace.html>. You may also order it in the following ways:
