

A Word for You from Abba, Father

A Word for You from Abba, Father

“You are my children, you are my heirs, you are my sons & daughters, & you are my living treasure!
You give me pleasure in being my treasure!

I am pleased to have you as my own family member, and that was a desire of my heart before the formation of
the world!

I created the world, I created mankind, so I could have you born into the world, and then born-again into my
kingdom and family!

Now that you are my child, you will be my child forevermore, without fail!

You are a partaker of my divine nature, you have been born-again of incorruptible seed!

You're born of my seed, and you are my seed, with my divine, holy, perfect life abiding within you
now and forever!

I have a designated and determined destiny for you, which you are in the midst of experiencing and fulfilling!
As your Heavenly Father, I am He that both wills and does of my good pleasure!

I shall fulfill my pleasure for you, in you, and through you!

I have begun a good work in you, I am perfecting that work, and shall see it to completion!

The very nature of my life within you is eternal in nature, so is my union with you, as is my fatherhood of you!
As your Heavenly Father, I have placed my life, my nature, my spiritual disposition into you, I have sealed
myself into you and by my Spirit of Life in you, you are totally sealed into me!

All that I am, I have placed into you, when you received the gift of eternal life through Jesus, my first-born son
of many brothers and sisters!

All that He is, so are you, in this world, forevermore!

Remember that in Him you live, move, and have your being, and likewise, in you He lives, moves,
and has His being!

I rejoice in our union, and so does your spiritual big brother, Jesus!

He and I joy over you with rejoicing!

So does the Spirit of Grace, Who now lives within you, has sealed you, and has you fully secured in union
with each of us in the godhead!

I encourage you to daily take time to meditate upon your union with me, fellowship with me in prayer, wor-
ship, and meditation, and talk with me by the Holy Spirit in you!

For I enjoy having you getting to know me in spirit and in truth, and I delight in revealing and sharing the
pleasures, benefits, and blessings of the Kingdom of Heaven with you and each one of my holy and righteous
children. I have loved you with an everlasting love, and have drawn you to myself in love and tender-mercies.
I will never leave you nor forsake you, and because I am for you and with you, no one nor anything can ever
separate you from my love which now abides in you and that I have for you!

We are one, we are one, we are one, declares your Heavenly Father!”
