

You may be wanting to have a great year...

The Holy Spirit wants you to have a YEAR OF GREATNESS!

*He wants you to...do the undoable...reach the unreachable...
love the unlovable...heal the unhealthy...enable the helpless...
inspire the hopeless...cause the blind to see...
teach the unteachable...achieve the unbelievable...
invade the impossible...reveal the unknown...
turn sinners into saints...change losers into winners...
set the captives free...reveal Christ in you, the Hope of Glory!*
